

POLLS OPEN HERE FOR REGISTRATION

Registry Officials Will Sit
on Tuesday and
Wednesday.

LAST CHANCE to ENROLL

The registry assessors, Mrs. E. H. Cockrill, Mrs. H. Murray and Mrs. Mary Livingston, will sit at the polls this Tuesday and Wednesday, September 4 and 5, to register voters not on the borough lists, from 11 A. M. to 4 P. M. and from 7 P. M. to 10 P. M.

The polls are located as follows: District No. 1, fire house; District No. 2, Narberth National Bank; District No. 3, Scout house. This is the last opportunity for voters to have their names put on the lists so as to be eligible to vote at the November election. The three election districts apply only to people within the Borough of Narberth. Voters who reside in Narberth, but who are technically in Lower Merion (as for example, on the south side of Haverford avenue above Narberth avenue) are subject to the township's regulations.

The qualifications of voters are again listed for the benefit of new residents, and those just coming of age.

They must be 21 years of age. They shall have been citizens of the United States at least one month.

They shall have resided in the State one year (or having previously been qualified electors or native-born citizens of the State moved therefrom and returned, then six months), immediately preceding the election.

They shall have resided in the election district, precinct or division, where they offer to vote at least two months (not 60 days) immediately preceding the election.

If 22 years of age and upwards, they shall have paid within two years a State or county tax, which shall have been assessed at least two months and paid at least one month before the November election or any time before the primary election.

If over 21 years of age and less than 22 at the date of election they can vote without having paid a tax by making affidavit as to their age and if residing in a city having been registered.

PHONE COMPANY ANNOUNCES CUTS

Will Reduce Service Charges
From \$1 to \$1.50, Effective Tomorrow.

ERB GIVES NEW LIST

Service connection charges, which apply when a telephone is connected or moved or when there is a change in the type of instrument, have been substantially reduced by the Bell Telephone Company of Pennsylvania for all residences and for certain classes of business telephones, according to G. K. Erb, Main Line manager for the company at Ardmore. The new rates become effective tomorrow and represent a reduction of approximately \$250,000 annually.

The new schedules provide for reductions ranging from \$1 to \$1.50 on various service connection, move and change of instrument charges.

Up to the present time the charge made for installing and connecting a telephone in the residence of a new subscriber was \$3.50. The revised charge is \$2.50. The same reduction from \$3.50 to \$2.50 will also apply to moving a telephone from one residence to another.

Change Moving Charges. Installing extensions in both residence and business establishments, according to the new rates, will cost \$2 instead of the old rate of \$3.50.

Material reductions have also been made in the charges for moving.

BUSINESS MEN ARE BACKERS OF NARBERTH'S WELFARE IN EVERY WAY

Merchants' Confidence in Community Shown by Large Investments Here and Boosting All Civic Enterprises.

The ambition of every merchant here is to make Narberth the best town along the Main Line.

This may be a selfish object on his part, but the fact remains that he can prosper only if all thrive, for it is obvious that little money will be passed over his counters by people who have no money to spend.

On the other hand, if all the families in the borough are living in comfort, with every prospect of good times in the future, their well-being is reflected in the trade that comes to the merchant's store.

No local merchant, however, depends on mere wishing to bring prosperity to this town and to make it grow. He does not doze in his easy chair and dream dreams about outsiders coming in to settle, without helping to create a magnet to attract them. When he argues for better schools and improved streets, it is not in the expectation that his share is to be mere words while other property owners foot the tax bills.

If that were all there is to it for him, he would not deserve to be a partner in the successful achievements of this community.

Every merchant in this town backs up his confidence in this town, in its prosperity and the prosperity of those in it and in its future as a rising member of this splendid commonwealth, by his hard-earned dollars. Before he can

obtain a cent of profit, he must offer a big stock of the goods the public wants, attractively displayed in a conveniently arranged store of equipment for handling his goods expeditiously, and with well paid, courteous sales people whose paramount purpose is to render service to the trade. Not until this investment has been made and this plant is set in all its completeness before the people of the town can he hope to get back even so much as one cent of profit.

It is a big risk to run. If immediate profits were his only object, he never would take this choice. He could invest his money in dozens of other propositions, make more money and make it without waiting so long.

No group of citizens are greater boosters for the schools than the merchants. It means greater opportunities for the generation that comes after them. They reap little direct benefit, and they bear the greatest share of the tax burden, because of the larger valuation of their property. Every family benefits, its boys and girls being helped on the road to better citizenship.

In the same way do the business men contribute to the library, churches and other agencies, as well as to take a leading part in patriotic celebrations and community activities, lecture courses, concerts for the public and similar movements.

TAX BILLS MAILED

September 15 Dead Line for State and County Taxes.

All property tax bills for the year 1928 have now been mailed and any property owners who are without them are advised by the tax collector, Edwin P. Dold, to get in touch with him at once so that the discount period may be taken advantage of.

If any adjustments are to be made property owners should get in touch with Frank O'Brien, 326 Woodbine avenue, by whom the assessments were made for 1928 and through whom any adjustments must be made with the County Commissioners.

The Tax Collector will be at the Narberth National Bank to receive taxes on Saturday, September 1 from 8 A. M. to 12 noon and thereafter each weekday from 8 to 9 A. M., Friday evenings from 7 to 9 P. M. and on Saturday morning from 8 to 12.

The last day for paying County and State taxes without the 5 per cent. penalty is September 15. The tax collector will be at the bank Friday, the 14th, all day and evening and on Saturday, the 15th, from 8 to 12 noon.

DOUBLEHEADER MONDAY

Two league baseball games are scheduled for Labor Day, Monday, September 3. In the morning Narberth will do battle with Berwyn, present league leaders, in an effort to topple them from their position. This game which may decide the 1928 champions in the second half of the Main Line League will be played at 10:30 A. M. In the afternoon Newtown Square will oppose the Walzermen in another league contest at 3:15. Business Manager Hollar announces that there will be no more twilight games after this week due to the shortness of the evenings.

PLAN PEACH FESTIVAL

The Ladies' Aid Society of the Holy Trinity Lutheran Church will hold a peach festival in the social room of the church at Narberth and Woodbine avenues, on Thursday, September 13, from 6 to 9 P. M. Tickets 35 cents.

HOLD MONTHLY MEETING

The Woman's Home Missionary Society of the Lutheran Church will hold its monthly meeting at the home of Mrs. J. D. Rentschler, 313 Price avenue, at 8 P. M. on Tuesday, September 4.

URGES PROTECTION

Balcynar Rotarians Hear Expert on Liability Insurance.

Liability insurance as a protection for business men in all lines of work was urged Tuesday upon members of the Bala-Cynwyd, Narberth Rotary Club by C. F. Vielle, head of the casualty and liability departments of the Aetna Insurance Company in Philadelphia. He spoke at the weekly luncheon in the Cynwyd Club.

Mr. Vielle constructed his talk largely upon a recital of actual cases where damage suits had resulted from accidents of all kinds. Beginning with the more obvious need of protection from suits arising from automobile operation, the speaker went into cases dealing with the more obscure bases of claims.

The Rotarians were urged to study policies carefully, comparing the wording of different policies covering the same risk, and to place their insurance with companies of known resources and integrity.

William S. Howard, who secured the speaker, acted as chairman of the meeting.

COLLECTION NEXT WEEK

The next collection of ashes and rubbish in the borough will be the first week in September, beginning Tuesday, September 4. Although it will be a day late in starting, due to Labor day, an attempt will be made to collect on the regular day for the different streets. The regular winter collection schedule will go into effect the week of September 24.

OPEN HOUSE THE EIGHTH

Next Saturday, September 8, will be the official public opening of the rebuilt fire house. The building will be thrown open for inspection by the public from 12 noon to 10 P. M. The fire engines are bright and glistening in their stalls in the engine room in anticipation, having recently received a coat of varnish after their period of open-air living.

TOURNEY STARTS

The annual club tournament at the Narberth Tennis Club in singles and doubles will open this Saturday, September 1. This tourney, a yearly feature, has been won for several seasons by Harold Lane. Entries may be made up to Friday night to any member of the committee or to the groundsman. Entry fees: singles \$1; doubles \$2 per team.

TERRIFIC HITTING DOWNS BRYN MAWR

Zip Long Strikes Out Fourteen, Turning in Second League Win.

TAKE SECOND PLACE

John Uberty While Oakmont was being trounced by Berwyn on the former's home field, giving the Doyle's Nursery boys their sixth consecutive triumph, undefeated to date, Narberth was battling desperately to emerge victorious over Bryn Mawr, the monarchs of the first half. Zip Long, former Penn star, was the winning hurler of this dramatic contest whose performance outside of the box in crucial moments was a colossal aid to the pennant chasers. In shattering Bryn Mawr's flag hopes, Zip shoved the locals to second place in the Main Line League standing, which speaks well for the heroic Walzermen.

Never before in the annals of Narberth diamond exhibitions was there a more bitter feeling expressed by players and rival fans alike than in this combat of the day. The imported hillman threw everything but the slab from which he hurled, that he might give the home folks a boastful place in the mythical diamond hall of fame. Gillespie, Babb and Fleck, incorporated, professionals in the stickwaving business and the Humphries and Lindsays Company were the outstanding crashers of this fracas. Each man split the stitches for two hits each as Narberth rolled up 11 hits. Gillespie with a triple and Rogers with two doubles were the Napoleonic sticksmiths. Humphries' slippery fingers in the beginning of the game were a little costly to the locals, but he pulled himself together to finish out in an enviable manner. Bryn Mawr, who came three hits behind the locals, was quite impressive with the pole, but failure to hit with men on proved the downfall of the invaders.

Within the past month Gillfillan, who earlier in the year was the leading pill crusher of the team, has gone into the most miserable slump ever witnessed in these parts. He is not the fellow who Manager Walzer can depend on for a timely hit as in former days; on the other hand, he now leads with strike-outs and asinine plays. Johnny Mulligan, in his decennial years, is rapidly climbing to the peak of form.

The scoreboard showed two naughts in the opening chapter and both teams walked away with two in the following. McManus' double scored Faulk and Curwin who got on from singles. Muligan assisted perfectly to the plate attempting to retire Faulk, but Gillespie muffed his throw, allowing Curwin to coin the second run. Lyons whiffed. Bradley was thrown out and Francis blanked. Two runs, three hits, no errors.

With Bryn Mawr off to a flying start, Narberth rallied with two runs in a spectacular pellmell finish. Long and Gillespie had been retired via the strike-out device and the local polemen displayed unusual totting as they chalked up their two points with such a barrier against them. Master, third man up, crashed a fiendish double to center and Babb singled, promoting the pinch-hurler to third. Fleck got on when Jimmy Faulk juggled his hot

OFFICERS NOMINATED

Permanent officers were nominated and a name was chosen for the new Bala-Cynwyd and Narberth Veterans of Foreign Wars Post at a meeting held Monday night in the Cynwyd fire house.

The organization will be called the Miller-Merkle Post, in honor of Harry M. Miller, Cynwyd, and George E. Merkle, Narberth, who died in the World War.

Officers nominated were as follows: Daniel J. Hickey, Cynwyd, commander; Charles J. Haywood, Narberth, senior vice commander; Harrison H. Sherbondy, Cynwyd, chaplain; Frank F. Leins, Narberth, quartermaster; Herman P. Dolan, officer of the day, and three trustees as follows: John I. Conway, Narberth; James Nicholson, Wissahickon, and Howard McGeoy, Cynwyd.

Other nominations, including junior vice commander and adjutant, will be made at a meeting to be held Monday, September 10. Two weeks later an election will be held of officers to serve a year. Temporary officers are Daniel J. Hickey, commander, and Frank Lyons, Narberth, adjutant.

Three new members were admitted at the meeting held Monday. They are Raymond French, Cynwyd; John I. Conway, Narberth, and Bernard Williams, Ardmore. Comrade Thomas, of the Herbert G. Sparrow all-naval post, Camden, addressed the members and several visiting veterans on the principles and qualities of the organization.

New comrades are still sought by the post's recruiting committee, of which William Super, Narberth, is sergeant. Narberth and Bala-Cynwyd war veterans who saw overseas service and who have not already affiliated with the new post, may do so by communicating with Sergeant Super or any of the following members of his committee: Alex Betus, Narberth, or H. H. Sherbondy, H. P. Dolan and Morris Hoff, Cynwyd.

NARBERTH B. AND L. OPENS NEW SERIES

Local Association Offers Its
46th Series at Meeting
Thursday.

HIGH RATE IS EARNED

It is again time to remind the readers of "Our Town" that the Narberth Building and Loan Association will open its new forty-sixth series on Thursday evening, September 6, in the new rear room of Elm Hall.

This association is over twenty-one years old, has assets of over \$1,000,000, and its earnings are over 8.8 per cent. per year. Its officers and directors are men well and favorably known in this vicinity, and its stockholders are not only local but extend all over the country.

In the long-term series the payments are \$1.00 a month per share with an entrance fee of 25 cents per share, which makes the first month's payment \$1.25 for each share taken, and thereafter \$1.00 per share for about eleven years and two months, when the stock matures, and pays \$200 for each share. In the short term series the initial payment is \$2.00 per share, plus 25 cents entrance fee, or \$2.25 a share, and each month thereafter \$2.00 per share until you have paid in for about six years and six months when the stock matures at \$200 a share.

Many of the stockholders of the association do all their business by check, drawing a check on the first of each month for the amount of their dues and mailing it to Narberth, their check being their receipt, and when the stock matures the Narberth Building and Loan Association send them a check for the amount in full.

A great many of the stockholders pay the amount of their dues each month at either of the banks while others attend the monthly meeting of the association at the fire house on the first Thursday evening of each month, between 7 and 9 o'clock, and pay their dues and have their books receipted.

Building and Loan is systematic saving and is used by different people in different ways. Some create a fund to pay off a mortgage. Others are getting ready to send children through college, while still others are saving so that they may have a sum to invest at the end of the period in mortgages or bonds.

In an emergency it is nice to

TWILIGHT SEASON ENDS WITH SPLIT

MASTER PITCHES WELL

John Uberty On Wednesday, August 22, Narberth suffered their second straight defeat at the hands of the Quaker City nemesis, Twentieth Ward, by the score 5-1. In the first encounter of the season Narberth bowed to the invaders when they tallied two runs, three shy of the victor's mark. The Walzermen have no alibi to offer from these two setbacks except that they met a better nine on both occasions. Billy Penn's contribution to the diamond smote the Narberth Club for six hits in the second game compared to their rival's four off Cannally, winning boxman. The tourists who have mowed down the best diamond nines in the city of Philadelphia, speaking with crashes and smashes from their faithful sticks, told the locals that they are masters of this base ball situation; that they, contenders of the Quaker City Baseball Title, have yet to be stopped.

Walter Master, losing hillman of the local club, threw his best that he might bring his team out victorious, but the invading nine booted too freely with the hickory and Mr. Cannally contributed the artistic touch to baseball giving his pals an almost one-sided triumph.

Opportunity

There are few methods of investment which offer a more attractive return than the Narberth Building and Loan shares. Any investment on such a solid basis, directed by well known and respected men of this community, and offering an interest rate of nearly nine per cent. is worthy of consideration by everyone endowed with the desire to prosper.

The assets of the Narberth B. & L. have now topped \$1,100,000. No mean sum for so nearly a local organization. The interest rate also has steadily risen. Careful management and growing appreciation of its value among Borough residents are responsible for its increase.

Whether the object be to acquire a house free of mortgage, to put the children through college or to buy a Rolls Royce, the Building and Loan plan offers an ideal form of investment and saving. The opening of the 46th series at the Association's meeting next Thursday night in the new meeting place, the rear room of Elm Hall, is the opportunity. And the B. & L. is the modern goose that lays the golden eggs.

A Triumph for Art

It is one thing to make a request, but it is usually a horse of another color to have it granted. Not long ago a resident of the borough wrote a letter to the editor calling attention to the unseemliness and generally undecorative character of the "Dead End Street" signs which have been placed by the borough authorities at the entrance of several borough streets which have no outlet. These signs bore large letters, were of a railroad crossing size and it was this which the resident so strongly objected to.

A short time after this, one particular sign at the corner of Elm Terrace was draped with flowers and crepe by a

conscientious objector. This was duly reported in Our Town.

The hint was taken by the powers that be. Recently there appeared in the place of these former landscape destroyers, small black signs, neatly lettered in gold with the name of the street and the words "No Outlet." These now effectually warn motorists at Elm Terrace, Grayling avenue, Wynnedale road and Wynnedale court.

Surely these are a decided improvement over their predecessors and the borough deserves much credit for its co-operation in the matter.

CO-OPERATION

Co-operation means mutual help.

It always results in benefit.

It constitutes a power for good. It means power and accomplishment.

The welfare and growth of our community depend upon co-operation.

The merchants have established themselves and invested money here and constitute a powerful factor for the growth and betterment of this prosperous Commonwealth.

But they need your co-operation, expressed in patronage.

When you send or spend your money outside of your neighborhood, it cannot be spent by the merchants to help build the community.

When you spend your money here, you co-operate. We all benefit.

grounder, allowing Walt to skip home in the meantime. Humphries got a one-bagger, jamming the lane and the "Lynx-eyed" Lindsay took to first when hit from an uncontrolled heave. The writer believes that Roger performed his little trick intentionally. Gilfillan quit with the bags still intoxicated. Two runs, three hits, one error.

The suspense was too great for the tourists; they could not bear the burden of a tie; something had to be done so they jotted down another. Hump chucked out Francis and Curwin got one base as his dynamited blow absconded through the vet's legs. Bonner sacrificed Curwin to third. Faulk stroled and J. Curwin singled to center, admitting his brother. Faulk and Curwin stole respectively. McCahan failed to impress. One run, two hits, one error.

In the fourth, a zero inning, Narberth came exceptionally close to scoring a couple of runs, but Lyons put all he knew into effect to extricate himself from this unbecoming position. Mike went into a rage at the thought of being walked and Gillespie prodded a clean-cut triple to far left and Mulligan was winged sliding home.

In the alien half of the fifth McManus, Lyons and Bradley were struck out in fast order and Narberth failed to come to the front when Humphries tallied three out from his failure to purloin second.

Narberth was playing in ideal championship form when they had the 450 fans up on their feet as the tying run crossed the platter. The rival fans and players were giving Zip the razzberry call, believing that they might discourage the valiant and plucky twirler, but Zip was everlasting poison to the unfortunate boys who were called to face him. Again Narberth displayed their usual poise as they hung up one cypher after two men were sent to the sidelines. Lyons' wild throw hit Babb. A minute later Fleck cutgelled a venomous bingle to deep right, forwarding the former Harogate star. Humphries lost out on the initial bag. One run, one hit, no errors.

Long turned back the Bryn Mawrites in order in the eighth and Mulligan clouted a bingle that sent

in the winning cypher in the frame. It was a great moment for the local boys and a sigh of relief welled up from the 400 and some bosoms as our Roger Lindsay stepped insolently across the plate, tallying the fourth run. Lindsay went to second from his hefty scorch to the left wing and Gilly sacrificed. Mulligan got over his single, scoring Roger from third and Zip was thrown out. Gillespie blanked. One run, two hits, no errors.

In the final session Francis, Curwin and Bonner went out in quick succession as Long tallied his fourteenth strike-out.

Bell Telephone Service Connection Charges Reduced

SERVICE CONNECTION CHARGES which apply when a telephone is connected or moved, or when there is a change in the type of instrument, have been substantially reduced for all residence telephones and for certain classes of business telephones.

The lower charges are effective September 1. A decrease of a quarter of a million dollars annually is represented by the change from the old to the new service connection charges

The following table shows the old and the new service connection charges:

	FORMER CHARGE	NEW CHARGE
For the connection of residence main telephone	\$3.50	\$2.50
For the connection of residence extension or residence private branch exchange telephone	3.50	2.00
For the connection of business extension or business private branch exchange telephone	3.50	2.00
For moving residence main telephone from one address to another	3.50	2.50
For moving telephone from one location to another at same address	3.00	2.00
For changing type of telephone instrument	3.00	1.50

Where there is a telephone on the premises and it is re-used without change of location or change in type of instrument, the service connection charge remains at \$1.50.

TWILIGHT SEASON ENDS

CONTINUED FROM THE FIRST PAGE

Almost 400 baseball bugs turned out to witness the forthcoming Rajahs in their terminating and futile combat. The 1928 runners-up gave the cash customers an ideal baseball exhibition as they closed the present twi-

light diamond season by tripping Kirlin C. C. in a shut-out brawl. Walt Masters was assigned the honorable task of concluding the 1928 nightcap performance from which he emerged victoriously, slinging a two-hit shut-out game. Kirlin found Walt quite puzzling. The triumphant slab thrower proved his stamina when he pitched himself out of a few tight pinches during this six-inning combat, from which he was rewarded with considerable handclaps.

McGrath, who bowed to defeat, performed Walt's feat in allowing merely two nicks, but his wildness in the closing sessions from which Narberth walked considerably proved the downfall of his club.

The scoreboard would have looked much better had not Narberth hung up a two in the fourth chapter to spoil the artistic design of the well-decorated card. Goose eggs featured this game with two runs in the fourth at the expense of Kirlin C. C. Babb strolled and Roger Lindsay doubled. The outfield were yelling themselves hoarse for a twin killing only to be foiled by the second baseman's wild assist permitting both lads to get on.

Humphries, terror at the plate, booted out his usual three-sacker, shipping in Babb and Lindsay. Gilly failed to sent in the Veteran. Two runs, two hits, one error.

And thus ended the last twilight game of the 1928 season. The Narberth club gave the fans a real game, which they will long remember for it will be recalled that the Walzermen lost their first game of the season, but nabbed the last.

Score by innings:
20th Ward 1 0 0 0 0 4—5

New high pressure fueling ... and New high speed carburetion

Supplementing the amazing abilities of Buick's improved Valve-in-Head engine—providing brilliant new efficiency and effectiveness at all engine speeds—are two wonderful new Silver Anniversary Buick features.

A new high-pressure gas pump—completely eliminating the old-fashioned vacuum tank—assures a steady flow of fuel under all driving conditions; and a new high-speed carburetor—the most expensive employed on any motor car—produces unrivaled ease of starting, smooth operation and maximum economy.

The world-famous Buick Valve-in-Head engine—with these two engineering advancements—attains the highest

degree of efficiency of any automobile engine of the day... and attains that peak efficiency with any grade of fuel—low-test, high-test or in-between!

Hair-trigger acceleration! Dazzling new swiftness! Matchless hill-climbing—unrivaled ability to maintain a high pace hour after hour and day after day—these are not mere phrases but definite, authentic abilities of the Silver Anniversary Buick.

Take this new Buick out on the highway. Test it to the limit. Learn at the wheel the whole wonderful story of its new engine—new high-pressure fueling and new high-speed carburetion. Prove to yourself—it's the great car of the world!
